

TRANSPORT TO DURHAM SCHOOL

In conjunction with the other independent schools in Durham, Durham School is currently able to offer its pupils transport into school along nine different bus routes every morning (Monday to Friday). Regrettably, it is not practicable at present to offer a return trip for all routes in the evening as pupils' departure times from the three schools involved vary considerably.

Now in operation: return journey to Rushyford and daily transfer by minibus from and to Durham Railway Station.

Bus Routes in operation 2008-2009

Durham Train Station
Cleadon
Seaham
Chester-le-Street
Castle Eden
Bishop Auckland
Wynyard
Shotley Bridge
Rushyford

Looking for transport to and from school? You could help us to decide new routes.

We are always interested to hear from parents and prospective parents who would like to see new routes added to the existing list. If you are interested in arranged travel to school but none of our current routes is of any help to you, please contact us. In this way we can keep a record of new routes that might prove popular in the future. If there is sufficient demand, we will always consider adding a new route.

If you would like further information about transport to school, please telephone the School Secretary, Mrs. Adrienne Wides (0191 386 4783).
